

What are Taster Rates and who is eligible?

England Netball is delighted to announce that from 1 March 2018, Taster Rate affiliation fees will be available to “new” and “returning” members, providing access to our membership for the rest of the 2017/18 season*, ending 31 August 2018.

You are only eligible to benefit from this promotion if you have not been an affiliated England Netball member before, or if you have not been affiliated within the last three seasons (meaning your last affiliation ended 31 August 2014 or earlier).

Why join?

This is a great opportunity for you (or your new and returning players) to join the netball family for a shorter period, allowing you to trial the England Netball membership package ahead of the new season*.

For just half of the standard subscription fee** you and/or your new and returning players can benefit from the following:

- ✓ Access to England Netball competition
- ✓ Comprehensive Liability and Personal Accident insurance cover
- ✓ A range of exciting discounts and offers, including 10% discount on merchandise from the **England Netball Store**, along with a range of other offers from **Countdown, Gilbert Netball, Go Girl, iPro Sport, LRG Fitness, Sport Tape** and **The Sports Injury Clinic**
- ✓ A copy of our glossy Spring and Summer **Netball** magazines***
- ✓ A monthly e-Newsletter, keeping you up-to-date with exciting news across the landscape
- ✓ Advanced ticket sale notification
- ✓ Preferential rates on England Netball CPD courses
- ✓ Support direct from your County Netball Association and Regional Management Board
- ✓ Entry into our ticket prize draw

Netball Clubs and Young Persons’ Groups

Eligible new and returning members can join existing affiliated Netball Clubs and Young Persons’ Groups by submitting a **Taster Rate registration form** (for the correct age bracket) to their Club Secretary who will then send this form to England Netball.

Alternatively you can set up a dedicated Taster Rate Netball Club or Young Persons’ Group. In this instance, a minimum subscription of ten registered Taster Rate participants applies. Where there are fewer than ten players, a minimum fee will be calculated at ten times the eldest participant’s fee. More information about setting up a club can be found in **How do I apply?** further below.
