

ENGLAND NETBALL

RULES AND REGULATIONS

1. Overview

Premier League Netball 1, 2 & 3 is a national league competition organised by England Netball to enable clubs to compete against each other to determine a national winner, whilst encouraging participation and development in netball through an open, fair, progressive and transparent league structure.

The Premier League Play-offs is a competition organised by England Netball that determines the movement of clubs between Premier League Netball 3 and Regional Leagues that takes place once the Premier League Netball 1, 2 & 3 leagues have concluded ("the Competition").

These regulations set out below outline the Rules and Regulations ("the Regulations") through which the Premier League Play-offs only shall be governed. For the avoidance of doubt, the separate regulations which pertain for the Premier League Netball 1, 2 & 3 competition shall have force within that competition.

These Regulations must be followed by all teams, players, officials, spectators and administrators involved in the management, administration and operation of the Premier League Play-offs.

2. Competition Structure

2.1 Entry into the Premier League Play-offs will be through the following methods:

2.1.1 **Premier League Netball 3/Regional League Play-off** - The teams which finish in eighth, ninth and tenth position in Premier League Netball 3 will contest a play-off together with one team from each Region (giving nine Regional Teams).

2.1.1.1 **Regional Teams** - The teams nominated by the Regions will be done so at the discretion of the Region Netball Association. England Netball will have no involvement with or influence over these teams apart from the requirements set out in these Regulations.

2.1.1.2 These 12 teams (three (3) Premier teams and nine (9) Regional Nominations) will be divided into three groups of four, with the three Premier League Netball 3 teams spread across the groups.

2.1.1.3 The teams in each group will play against each other once.

2.1.1.4 The teams in first and second place in all groups will then play a cross-sectional match against the first or second place in a different group (the draw for this will be made and published at the start of the Premier League Netball season). The winners will be promoted to/or retain their place in Premier League Netball 3 for the following season. All other teams will return to/be relegated to the Regional Leagues.

2.1.2 Should the number of teams in the Premier League and/or Regional Teams change in advance of the Premier League Playoffs, England Netball may adjust the Competition Structure accordingly.
